BRATTO 2010 FOR YOUR FAMILY

Bratto 2010 is the place you were dreaming for for playing a tournament with your family. The Organizing Committee struck a deal with the hotels that favours accompanying persons and provided a series of initiatives in support of all those who do not play. This said, we ask your forgiveness if we start by presenting a rather outstanding chess event...

19 August: Shirov reloaded

At 4 pm, Yuri Garrett talks with GM Aleksej Shirov about his unique chess career (at the Castione della Presolana town hall). Questions from the public are more than welcome! At 8:30 pm, Shirov and the members of the Scavolini Pesaro Punto Esclamativo team (Denis e Axel Rombaldoni, Sabino Brunello and Fernando Braga) will stage a simul against 15 players each. The simul is free of charge, but funds will be raised in favour of Emergency.

IM Fabio Bruno, former Italian Champion and current manager of all Italian teams, will entertain your appetites by being *Chef for the night!*

Entertainment services for children and adults

Coming with your family, a 5-12 y.o. child and wondering if you'll ever make it to play without regretting it? No worries! Your family will be delighted by our "Chess Village", where our professional operators will lure them into a galore of sports and recreational activities!

Side events

All accompanying persons will benefit from our intense cultural and recreational programme: guided excursions, Risiko! games and football matches. Chess players will love our PresoQuiz (what do you REALLY know about chess history?) and the all-confusing bughouse tourney.

Beauty prizes and daily bulletin

Caissa Italia and Torre & Cavallo Scacco! will bring you the **wide format daily bulletin in colour**, with the biting cartoons by Marcello Carriero and the annotated game of the day!

Top-quality organization

DGT boards for on-line transmission, digital clocks and wooden sets for all players, wide LCD screens in the playing hall and high-quality pool of international arbiters.

Chess books like no others! In Italian, though... :)

ITALIAN CHAMPIONSHIPS

At the same time as the 30th International Chess Open, two Italian Championships will be staged: the 36th Under 20 Italian Championship and the 37th Women Italian Championship.

Although these two tournament are only open to Italian citizens, and thus are seemingly of no interest to our foreign friends, please note that in actual fact they provide for a much better playing hall, with an interesting mix of players from many different nations, young and adult players and players from the both sides of the moon... :)

Come and try out our very special Italian atmosphere and enjoy the supreme Italian hospitality and food in the mountains of Bratto!
